BUTTONWOOD PARK ZOO  
**Inspection**

**Type:** Routine  
**Date:** 27 May 2009

There was no USDA Regulated activity being conducted by the Registrant at the time of the inspection.

NOTE - This was the first inspection of this research facility. The Registrant recently registered with the USDA and is currently in the process of organizing the facility's IACUC and IACUC functions. Record keeping requirements, the duties of the IACUC, access to IACUC records, and the USDA inspection process itself were discussed as part of the inspection.
